Welcome to the *ST. MARK* Extended Day Pre-school Program for the 2019-2020 school year!

**General Information**
Before and after school care is offered for *ST. MARK* students in pre-school on a contract basis. This program is licensed by the Commonwealth of Virginia and is managed and staffed by competent, caring professionals.

Extended Day Care (EDC) is a flexible program of recreation, arts and crafts, indoor (gym) and outdoor (weather permitting) play, snacks with friends and staff, story-time, board games, and appropriate videos. The spiritual development of the child is continued. Structured activities are very popular with the students, who also enjoy special seasonal activities, such as trick or treating, Christmas Caroling, and Easter egg hunts.

EDC is a place where students feel comfortable and happy, and parents can rest assured that their children are supervised and well-cared for during those hours before and after school.

Additional information and regulations regarding the EDC program can be found near the end of the Parent-Student Handbook.

**Inclement Weather**
EDC follows Fairfax County in regards to weather closings. If there is a 2-hour delay, EDC will open at 9:00 am. If school closes early due to bad weather conditions, children must be picked up no later than one hour after the early dismissal time.
Signing in and out of EDC

The sign-in and sign-out location for the pre-school EDC will be the ST. MARK gym – which is the same as for the K-8 EDC program.

Students attending the morning EDC session must be walked/signed in by a parent/guardian, indicating the time of arrival. Due to safety and licensing concerns, students will not be permitted entry into the EDC program if a parent/guardian is not present.

At the conclusion of the school day, pre-school students will be escorted to the gym at 3:30 pm. Students must be picked up by 6:00 pm.

If someone other than the parent is to pick up the child, the program director must be informed via a written note or other communication from the parent. This person must show identification before any student will be released to him/her.

The EDC staff is not responsible for children prior to their being signed in for the morning or after they are signed out at the end of the day.

Late pickup from EDC

Parents are expected to be prompt when picking up their children. Any child(ren) picked up after 6:00 pm will be charged $2.00 per minute, per child. The ONLY exceptions to this are when inclement weather conditions, as declared by the National Weather Service or determined by FCPS, cause the delay.
