

Parish Renewal Book Study

**Beginning Monday February 25
at 7:00 pm
in Cassidy Activities Center**

We have found a book with answers to many of the important questions of how to accomplish parish renewal. Written by a Catholic priest who has had success in transitioning his parish from luke-warm to red-hot, it offers a clear understanding of the Lord's call to holiness and mission. Father James Mallon answers the nagging questions of why the Church is losing members and what can be done to reverse this trend. He describes how he made *ST. BENEDICT* in Halifax a healthy and growing parish.

We will meet on Monday evenings for 7 weeks at 7:00 pm, starting Feb. 25 at the Cassidy Activities Center at *ST. MARK* parish. In sessions led by Fr. Tuck Grinnell, we will read, discuss, and learn how to revitalize routine parish life.

The book is *Divine Renovation* by Fr. James Mallon and can be purchased online. **Come join us!**
